## Australian AC Open Doubles Championship

There was a field of nine pairs in the Australian Open Doubles Championship. The event was held over three days at the Victorian Croquet Centre with 5 rounds of a Modified Block followed by the top 8 pairs going through into a best-of-3 Knockout.

In the Block play the two top placed pairs, Alison Sharpe & Jim Nicholls and Jenny Clarke & Trevor Bassett, won all their games.

These two pairs won their Quarter Final matches 2-0. In the Semi Finals Alison Sharpe & Jim Nicholls beat Callum Hyland & Claire Bassett 26-0, 26-14 and Jenny Clarke & Trevor Bassett beat Kevin Beard & Terry Hopkins 26TP(Trev)-10, 26-4 to reach the Final.

The Final was a war of attrition with some very good play and tactics intermingled with many breakdowns from both pairs. Jenny Clarke & Trevor Bassett had the best of the play and came out on top in the end 26-24, 16-5.

Jenny has travelled from New Zealand to play with Trevor in this event over many years and they were very pleased to have finally won it for the first time. Congratulations to this talented pair.

The complete set of results for all games can be found at: https://croquetscores.com/2018/ac/aust-doubles

A very big thank you to the sponsors, Parbery Consulting, for providing prize money, for arranging and cooking a BBQ during the Doubles and giving a commemorative shirt to each player.

Many thanks to Brian Reither for managing the event and Mike Cohn and his team of referees

# **President's Report**

In my last report, I mentioned going to Casterton, where I was to update the juniors who are to compete in the ACA U21 GC Championship, in Adelaide in January, on the new Rules which will be in force at that event. That was a successful trip and Croquet Victoria has arranged for Ian Petersen (Belmont CC) to provide a coaching session for those juniors, to hone their skills prior to the Championship.

On my way home from Casterton, I called in at Coleraine, where the croquet club, part of the Bowls club, is not affiliated with Croquet Victoria. I was in time to make up a fourth for a game of doubles, after which I continued to Hamilton, arriving in time to help the members of the club celebrate the birthday of the club's doyenne, Doris Lanyon, still playing and coaching AC at 94!

On 6 December, I attended a Vicsport sponsored forum for Child Safety at the offices of Lander & Rogers, Solicitors. Unfortunately, Janet Leckie-Brunton who was to accompany me, was unable to do so due to family commitments. This was the most informative forum on this subject that I have attended, with speakers from the Commission for Children and Young People; Gymnastics Victoria, which employs a full-time Child Safe Coordinator; the Institute of Child Protection Studies; and the Centre for Multicultural Youth. All speakers were very good.

On 10 December, Vice-president Kate Patrick and I attended the Sport & Recreation Victoria Metropolitan Councils Forum where we spoke about our State-Wide Facilities Planning project and how croquet could fit into their community health & wellbeing programs. Afterwards we were approached by representatives of two metropolitan councils who spoke about the croquet clubs within their areas.

On 13 December, I attended an SRV briefing on the guidelines for the Supporting Victorian Sport & Recreation 2019-22 grants program. Luckily, I was able to attend this one by phone hook-up, which saved by at least 10 hours of driving.

I wish to thank our employees, Sandra Kastanaras, Lubi Bosevska and James Hood, and all of the volunteers who have helped run Croquet Victoria and its activities, all of whom shall remain un-named for I would be sure to miss someone if I did try to name them, for their dedicated efforts over the past year.

Finally, I urge all members to think safety over the holiday period and to come back to croquet in the new year refreshed and ready to enjoy their sport for another year.

We hope that croquet clubs in the Geelong region will host events during the September 2019 games. ## Jenny Clarke triumphant in all-women Final of the Australian AC Open Singles Championship

Jenny Clarke, a top New Zealand player, has often played in the AC Australian Open Singles and has now won it for the second time. Jenny beat Alison Sharpe from NSW in the first all-women final since 1958. Congratulations to Jenny and Alison on this historic achievement.

The event began with 23 entries in a "Burridge Swiss" format to determine the 16 players to qualify for the Finals Knockout. Players had 10 rounds in which to win 5 games and qualify for the knockout or lose 6 games to be eliminated and be eligible for the Plate event. As soon as a player qualified or was eliminated, they ceased playing in the Swiss.

The knockout was best-of-3 for the round of 16, the quarter finals and the semi-finals. It was a best-of-5 for the final.

There were no surprises in the round of 16 players, but Jenny Clarke (the top seed) was the only one of the top four seeds to reach the semi-finals.

In the first semi-final, Jenny beat Nick Chapman (SA) quite quickly 26-10, 26-3. In the other semi, Alison Sharpe (NSW) and Alan Sands (WA) played their hearts out over almost a full day with both players having chances to secure a win in the match. Ultimately it was Alison who won 21-15, 23-24, 26-20 and reserved a place in the final. The best-of-5 final was very exciting. Alison Sharpe won the first game against Jenny Clarke in a very close encounter 26-22. This was the first time that Alison had ever beaten Jenny. There were some tough battles after this but Jenny proved too strong as the match went on to win the next three games 26-14, 26-0, 26-20. Alan Sands won the playoff for 3<sup>rd</sup> place beating Nick Chapman 6-26, 26-12, 26-4.

The Z event (5<sup>th</sup> place) was won by Jeff Newcombe (WA) over Trevor Bassett (NSW) 26-9, 26-10. The Y event (9<sup>th</sup> place) was won by Chris Grant (Victoria) over Murray Baum (SA) 24-20, 25-9. The W event (13<sup>th</sup> place) was won by David Johnston (Victoria) over Kerri-Ann Organ (Victoria) 22-8, 21-13. The Plate was won by John Arney (SA) with 5 wins from John Piggott (NSW) with 3 wins in the 6-player round robin.

The AB Morrison Trophy for a player on a high handicap who won the most games over the whole event was won by John Piggott (NSW).

A very big thank you to the sponsors Parbery Consulting, for providing prize money, for arranging and cooking a BBQ during the Singles and giving a commemorative shirt to each player.

The complete set of results for all games can be found at:  $\frac{https://croquetscores.com/2018/ac/aust-singles}{https://croquetscores.com/2018/ac/aust-singles}$ . There are also commentaries of the  $2^{nd}$ ,  $3^{rd}$  and  $4^{th}$  games of the final at that web site.

Very many thanks to Brian Reither for managing the event. And thanks to Mike Cohn and his team of referees for their very professional contribution to the tournament – particularly on the 2 or 3 very wet and cold days. It was recognized and much appreciated by the players.

Also, thanks to the players for clearing the courts for mowing, and moving and setting hoops for the knockout play. It was great to see everyone chipping in.

## VCA Bronze Medal (AC) at Shepparton

For the second year in a row the VCA Bronze Medal was held at Shepparton. The courts there are in excellent condition and the members of the club made us all most welcome. The large spectator group was treated to some excellent croquet. Robert Fletcher was in fine form on Saturday and executed 3 triple peels and one sextuple peel in his four games. Some tactical games between the other players held the attention of the onlookers. The weather was hot, the courts were in great condition and the players thoroughly enjoyed the opportunity to show their skills.

Unfortunately Robert was forced to withdraw after his first game on Sunday which left the result a contest between Simon Watkins and Stephen Forster. Simon was in peerless form against Stephen in their game early on Sunday. He hit everything he aimed at and ended up winning that game 26-0. Simon and Stephen were now level on games won and lost with Simon having been beaten by Elaine Coverdale on the first day. An extremely tight finish – going into the last round Stephen had a bye and Simon was playing Chris Grant, with Simon guaranteed a win as long as he won by 13 hoops or better!! He beat Chris 26-6 and thus wins his first Bronze Medal and the right to represent Victoria in the ACA Gold Medal in Perth next March. Congratulations to Simon and to all the players who put on some excellent croquet.

The social side of the event was also a success. Most of the players and officials went to dinner together on the Saturday night. The constant supply of food by the Shepparton members was much appreciated as was the afternoon tea on the final day.

Our thanks to Kevin Beard. Kevin was forced to withdraw from the event due to an injury he sustained in the Australian Open the week before. But true to his dedication to our game he offered to be Tournament Referee for the two days. And they were long days and he was basically referring all four courts all day. A fantastic commitment.

It was also great to see both Kevin's mum and Kenn Boal's mum as spectators on the Sunday. Both ladies have been long time supporters of their sons and croquet in general. Along with Kevin's two sisters and Margaret Gunn – former Chairperson of the VCA AC Selection Committee – a nice family feel about the event.

A great weekend enhanced by some excellent croquet.

## **Strong Demand for Croquet in Whittlesea**

Whittlesea's Positive Ageing Team received over 100 enquiries and 90 bookings for a "Let's Play Croquet" morning at Mernda Retirement Village recently.

This was an initiative by the Positive Ageing Team and the Manager of the Stockland, Mernda Retirement Village, who approached Peter Forster, Barbara Vaughan and Heather Hyatt about having a "Let's Play Croquet" morning to coincide with Seniors Month - October.

Flyers by the City of Whittlesea were printed and distributed throughout the local area of Doreen, Mernda, Whittlesea, Wollert, South Morang and Epping. Flyers were also given to members of Probus Clubs in Mernda and Doreen plus the Doreen Seniors Club to hand out to anyone who was interested in playing croquet or wanting to find out more.

Wednesday 31 October 2018 was the date selected. The Positive Ageing Team provided Morning Tea and a light lunch.

On the day, Con from the Positive Ageing Team explained the format of the morning and Michelle from Stockland, Mernda explained that there would be three sessions and everyone would rotate through the groups.

The three sessions were:

- Answering questions that participants had regarding croquet eg fees, uniform, cost of a mallet.
- Watching a You Tube Video on how to play croquet.
- Outside to try swinging a mallet, hitting a ball and trying to run a hoop. Peter set up 2 mini courts on a small area of ground.

I was approached by a number of people with questions which I answered. These questions were regarding the cost eg fees, uniforms and how often could they play, just to name a few.

Most of the people were more interested in going outside to find out how the game is played and to try hitting a ball and trying to run hoops. This part of the morning was the most popular. Everyone I spoke to was very interested in playing croquet.

Participants included:

- About 10 residents from the Life Style Retirement Village in Wollert. They play croquet in their Village. One resident had played croquet in NSW before she moved to Victoria and resides at the Retirement Village.
- A group of ladies at Mernda Retirement Village who play a form of backyard croquet on a Monday morning at the village.
- Twenty of so members from Mernda Probus who attended the activity at Mernda Village. They play croquet at Kew Croquet Club once a month and are very keen to play more often and would like to form a club in the Mernda Doreen area. They have also been offered to play at Ivanhoe Park Croquet Club once a month.

A team member from the Positive Ageing Team spoke to a couple of people from Life Style Retirement Village and Arilla Retirement Village regarding vacant land close to both villages. The team member stated they would look into both areas.

We're now waiting to hear back from Con from the City of Whittlesea to find out the next step.

## **Australian Government Sports Achievement Ceremony 2018**

On Thursday, 22<sup>nd</sup> November 2018 Judith Stewart was presented with a Sports Achievement Award for Community Contribution by an Individual at Alexandra Oval Community Centre, Ararat. Judy was nominated by Warrnambool City Croquet Club for her achievements with Golf Croquet.

Since arriving in Warrnambool in February 2016, Judy Stewart has made a significant contribution to the Warrnambool City Croquet Club. Her most notable achievements have been as a Golf Croquet referee, when she officiated at the 2017 Golf Croquet World Championship and the Under 21 Croquet World Championship held in Melbourne in February 2017. Judy refereed the Grand Final, a best of 5 contest that went to 3-2 and took a marathon 5 hours. She is currently the club Golf Croquet (GC) coach, referee and handicapper and has represented the South West Region in the Regional Division 2 GC championship.

Judy has played croquet for 10 years and has enjoyed participating both on the lawn and off at a coaching, refereeing and administrative level. Before moving to Warrnambool, Judy served on the South Australian GC Management Committee for 3 years as the State Coordinator of Handicapping. Since gaining her GC Refereeing Accreditation in 2013, she has officiated at National Tournaments in South Australia, Tasmania, Western Australia, Queensland and Victoria.

Considerable dedication to her sport has been shown in making the 3 plus hour return trips to Melbourne and interstate trips for refereeing commitments of up to 15 consecutive days

# POTTER MALLETS

Making croquet mallets is my hobby.

Every mallet is handcrafted from local woods to release its natural beauty of grain, texture and colour.

All mallets are therefore individual and unique. Most are of redgum (milled in 1888), others of sycamore, elm, black wattle, etc. Rectangular or round block. Handles are of Tas Oak with a choice in variety of grips etc.

ph; 03 5443 1250, or; pottermallets@gmail.com

I will also donate \$10 to the Fred Hollows Foundation.

Every mallet sold means I can then enjoy making another, and

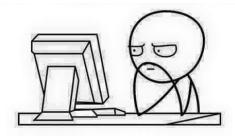

p&p \$20 Vic, \$25 interstate, free post for second mallet.

## Wimmera Croquet Association Pennant Grand Final

Wimmera Croquet Association Pennant Grand final was held last Monday. There was some very exciting and close games throughout the day with Horsham Banksia defeating Dimboola Green 10 games 87 hoops to 4 games 72 hoops.

Horsham Banksia had two players playing Pennant for the first time, so winning a grand-final was very special to them.

This is the first year Dimboola has made the grand final, so that was a great achievement by them.
