

SELECTION POLICY

1 PREAMBLE

- 1.1 The aim of this policy is to ensure that VCA has a pool of match-ready and skilled players eligible to compete in elite competition and to foster the advancement of developing players.
- 1.2 The Victorian Croquet Association (VCA) provides the broad parameters of the VCA Selection Policy. The selectors operate within these parameters. The selectors wish to ensure that players are aware of the specific issues that the selectors will look for in the application of this policy. The policy is an open document available to players. Players can suggest modifications. The selectors will review the policy from time to time. Any changes made will be sent to the VCA Council for approval.
- 1.3 Separate Selection Committees will be appointed by the VCA Council for Association Croquet and Golf Croquet

2 OBJECTIVES OF THE SELECTION COMMITTEE

- 2.1 To provide opportunities for competitive play and to improve the standard of croquet in players of all levels.
- 2.2 To select players and reserves from within Victoria to play in the various squads and tournaments run by the VCA as listed in the annexes.
- 2.3 To select players to represent Victoria in interstate team competitions, the Eire Cup for Association Croquet and the WCF Shield for Golf Croquet.

3 THE SELECTION COMMITTEES - COMPOSITION, ACTIVITIES AND DUTIES

Each Selection Committee:

- 3.1 Will consist of up to five members plus the VCA President or his/her delegate (who shall be a VCA Director) as an ex-officio member. Committees will be appointed by Council annually and nominations for appointment shall be accompanied by a statement outlining the nominee's experience and capability to undertake the role of selector. In the event that there are less than five nominations for a committee, the committee may invite suitably qualified persons for Council appointment to bring the committee membership to five. However, if there are less than three nominations, Council shall appoint suitable qualified persons to the committee.
- 3.2 Will be composed of experienced croquet persons, not necessarily active, but familiar with the standard of play for national and invitational events and who will attend medal events, important VCA fixtures and if possible some country events.
- 3.3 Will hold meetings throughout the year and keep records of these meetings. A copy of the minutes and copies of any supporting papers will be sent to the VCA Secretary within seven (7) days of the meeting.
- 3.4 Selectors are to declare any conflict of interest concerning themselves or family members being considered for selection for a team or event. They may then individually present their views on the team or event composition to only those other selectors who do not have a conflict of interest. They are not to be present during discussion or selection of that team or event. If the team or event comprises both genders and the conflict of interest applies only to one gender, then the provisions of the foregoing apply only to that part of the team or event. They must also be absent during the selection of the team captain and vice-captain, if the event requires such selection.
- 3.5 Will ensure that its proceedings are confidential.

- 3.6 Will ensure that players are informed of the timing of the selection of teams and squads. The state team will be selected at least 3 months prior to the event and the squads selected at least 6 months prior to selection.
- 3.7 May consult the relevant Victorian Team Squad Coach on all relevant committee discussions. The Coach may be invited to attend meetings to provide the committee with information relevant to their deliberations. The committee may consult experienced players if appropriate.
- 3.8 Will report to the VCA Annual General Meeting with a summary of the season's activities. On other occasions will report as required to Council or the Committee of Management (CoM).
- 3.9 Will determine the availability of players and reserves and inform the players concerned.
- 3.10 Will manage the relevant Selector's Invitation events.
- 3.11 Will recommend players to represent Victoria in any other event.
- 3.12 Will ensure that the Chairperson of Selectors is available within 24 hours of the announcement of the provisional team to speak to players about their selection or non-selection and in doing so will provide specific written information (containing all reasons for non-selection) regarding the selectors' decisions as provided in this policy and a copy provided to the VCA Secretary.

4 PLAYER SELECTION

4.1 Principles of Selection

- 4.1.1 Selectors consider tournament results, matches against specific players and current form as major factors in assessing performance.
- 4.1.2 When selecting players the selectors will normally only consider events that have occurred within the past twelve months.
- 4.1.3 Selectors may take into account the current national and international rankings of players being considered.
- 4.1.4 Selectors may publicly specify that a player's performance in a set of specific events shall be a contributory factor in the process of selection. These events include both VCA events and those expected to have significant participation by state and interstate players.
- 4.1.5 For certain events the selectors may choose players considered to have good potential to promote the success of the particular event or as part of the development of the player.

4.2 The following principles apply particularly to selection of the State Teams. Players are expected to:

- 4.2.1 enter and participate in specific events, which are detailed in Annex A for Association Croquet and Annex B for Golf Croquet .
 - 4.2.1.1 Selectors are looking for active and enthusiastic players. They expect that potential team players will enter for most of the major Victorian events held during the season.
 - 4.2.1.2 Selectors understand that players are also likely to be selected for national and international events in both codes of croquet, some of which involve practice weekends. Players are usually working full time. All these events are weekend events and players sometimes have considerable distances to travel, which can encroach on working days. The selectors take these factors into account when considering players attendance at events and team squad practice weekends.
- 4.2.2 be compatible and supportive team members. The ability to perform under pressure is considered, as will attitude to officials, tournament managers, referees, team managers, team coaches and fellow players. Any issues that arise concerning a player's attitude will only be taken into account where those issues arose within the last year unless the player concerned has been advised by the selectors of issues that go back beyond this time frame.

- 4.2.3 be willing to assist the team coach in developing a working relationship in the team so as to promote a responsible attitude, commitment, trust, competence, respect, safety, honesty, professionalism, equity and sportsmanship among team members.
- 4.2.4 be a good ambassador for the sport, the Association and their club.
- 4.2.5 attend State Team practice sessions arranged by the Team Coach. Adhere to the State Squad training protocols as determined by the State Team Coach including mental, physical and tactical skills, nutrition guidelines and appropriate fitness levels.
- 4.2.6 be assessed by the state squad coach as to fitness in strength, flexibility and endurance.

4.3 Skills Assessment

- 4.3.1 Because results are not always definitive, selectors look at how the player achieves their results. The skills required and looked for in selecting players are listed in the relevant annexes. In selecting teams, selectors look for specific tie-breakers, which are listed in the relevant annexes, in addition to results
- 4.3.2 Having specific criteria:
 - 4.3.2.1 gives players a better guide to what selectors are looking for
 - 4.3.2.2 allows Coaches and players to identify areas for improvement, and
 - 4.3.2.3 provides Selectors with more concrete reasons for selecting one person ahead of another.

5 GUIDELINES FOR SELECTORS WHEN SELECTING PLAYERS FOR THE VARIOUS SQUADS AND SCHEDULED EVENTS

- 5.1 State Team Squad.** The selectors will select players for the State Team Squad after verifying that those selected are willing to accept membership of the State Team if selected. From this Squad the State Team will be selected. Additional players may be added to the Squad during the season. If not already an accredited referee, referee accreditation must be obtained before being eligible for selection to the state team.

Process of selection

- 5.1.1 The selectors will consult the State Team Squad Coach.
- 5.1.2 There will be no specific number of players in the squad.
- 5.1.3 The selectors will use the criteria listed in Annex A or B as appropriate and will choose active players who have been in the team in recent years and improving players who show team potential.

Requirements for Selection

- 5.1.4 Read and Sign the State Team Squad Agreement Form at Appendix 2 to Annex C and return to VCA Secretary. The Form to be completed when players are selected for the State Team Squad and received by the due date.

- 5.2.1 The selectors will consult the State Director of Coaching and the State Team Squad Coach.
- 5.2.2 There will be no specific number of players.
- 5.2.3 The selectors will select players showing potential to develop to State Team Squad membership over a period of 2-3 years and then meet State Team selection criteria.

5.3 State Team. Selectors will select players for the Victorian State Teams.

- 5.3.1 The team for the Interstate (Eire) Cup will consist of four men and four women players. The selectors will also select one male and one female

- reserve, non-travelling, unless decided otherwise on an annual basis by the selectors, in which case the team shall consist of five men and five women players of which one man and one woman will be named as reserves.
- 5.3.2. The team for the Interstate Shield will consist of four men and four women players. The selectors will also select one male and one female reserve non-travelling, unless decided otherwise on an annual basis by the selectors, in which case the team shall consist of five men and five women players of which one man and one woman will be named as reserves.
- 5.3.3 In the event that all eligible members of the State Squad have been invited to be part of the State Team, but the team is not yet complete, Selectors may invite players from outside the Squad that meet all other requirements.
- 5.3.4 The selectors will select a Captain and a Vice Captain from the members of the State Team, one female, the other male. The Captain must be prepared for public speaking.
- 5.3.5 Players will be provisionally offered a place in the team subject to their acceptance and agreement and all State Team Squad members notified within 24 hours of the meeting.
- 5.3.5.1 All members of the State Team Squad will be notified of the selected team within 24 hours of the meeting.
- 5.3.5.2 The players selected will have seven (7) days to accept their selection
- 5.3.5.3 Players not chosen will have 48 hours to advise the Chairman of the Selection Committee of their intention to appeal.
- 5.3.6 Team membership will not be confirmed until the requirements of 5.3.5 have been met and it is known that that no appeal against non-selection will be lodged. Within 24 hours of confirmation of the team, State Team Squad members will be advised by email or phone and the team published.

Basic Requirements for State Team Selection

- 5.3.7 Players must sign the State Team Player Agreement (sample at Appendix 3 to Annex C of this policy) if selected for the team and return it to the VCA Secretary no later than 14 days after the final team is announced.
- 5.3.8 Players should acknowledge in the document signed that they have read, understood and agree to abide by the conditions of the documents listed below.
- 5.3.9 Any player who accepts an invitation for any event and fails to play in that event without good reason will not be considered for selection in any national event for at least the next 12 months. The selectors are unable to waive this requirement.
- 5.3.10 If a player is selected and accepts but is then unable to play in an event, the selectors and the player should resolve this immediately. If the selectors, after considering the facts, do not believe that good reason has been shown the player will not be eligible for selection to represent Victoria during the next 12 months. The player may appeal this decision in terms of the appeals process detailed below.
- 5.3.11 The ACA Player Code of Behaviour applies to players selected to represent Victoria. Breaches of this code may result in expulsion from the team and/or disqualification from selection for future teams or events for a period of up to 2 years.
- 5.3.12 The selectors cannot consider a player for selection to represent Victoria if that player is suspended in terms of ACA Regulation 63 - Doping Policy, 65.1 - Conduct of players or 66.2 - harassment free sport.
- 5.3.13 Players suspended from international, national or state play will not be selected
- 5.3.14 Players selected to be a state representative in the Eire Cup or the WCF Shield must, at the time of selection:

- be a member of a club affiliated with the VCA,
- have passed the relevant examination to be an ACA accredited referee, and
- be a full time resident of Victoria, or resident within the vicinity of their club (if that club is located outside Victoria) for a period of at least 3 months.

5.4. Other considerations

- 5.4.1 Selectors should not be influenced by consideration of cost in making their choice. VCA will, where possible, assist those selected to play.
- 5.4.2 Age is not a consideration in selection of a player but physical fitness must be recognised as essential.
- 5.4.3 The selectors will use the Principles of Selection (Section 4.1 of this policy) and the criteria outlined in the Gold Tier Skill assessment.(contained in Annex A of this policy) to select the team.
- 5.4.4 The State Team will be selected from players fulfilling the basic requirements (5.3.6 – 5.3.11 above)
- 5.4.5 It is recognised that not every player selected for the team will possess all of the skills that are listed.

6. SELECTION CRITERIA FOR TEAMS AND EVENTS OTHER THAN THE STATE TEAM

6.1 The Victorian A Teams

The Victorian A Teams will consist of eight players, not necessarily from the State Team Squad.

6.2 The Australian Medal Competitions

Selections are made in accordance with Australian Croquet Association Tournament Regulations, Items 29 & 30.

6.3 Other Victorian Events

Refer to Annexes A and B for appropriate selection criteria.

7. FURTHER MATTERS CONCERNING STATE TEAM SQUAD AND STATE TEAM PLAYERS

7.1 Counselling Process

- 7.1.1 Players must be made aware of any issues that may affect their chances of selection to represent Victoria as soon as they arise, or on request of the player.
- 7.1.2 Selectors must ensure that players are aware of these issues and provide the opportunity for players to discuss these issues with selectors. The Chairperson of the Selection Committee or the Chairperson's delegate will be responsible for liaising with players in any State Squad and other players that are in contention for selection.
- 7.1.3 Selectors will only consider issues that fall within the relevant time frame.
- 7.1.4 Issues will be documented and players given a copy of the document. Preferably this will be an agreed record of the discussion between the chairperson or his/her delegate and the person concerned should any dispute arises concerning this record. The Chairperson of selectors will attempt to resolve this dispute within one month. If the issue is not resolved within that time frame then it goes to mediation, in accordance with the VCA Constitution.

7.2 Extenuating Circumstances

- 7.2.1 In considering the performances of players at events, trials, training camps or other attendances required under this policy the selectors may at their discretion give weight to extenuating factors. Players unable to take part in these events must advise the selectors in writing of this fact and the reasons for non-attendance before the commencement of the event in question.

7.2.2 In the case of illness or injury, players may be required to undergo a medical examination by a doctor or doctors nominated by the VCA. In case of bereavement, equipment failure, travel delays or other reasons a decision will be made by the Selection Committee.

7.3 Replacement of a player

7.3.1 If a player is injured the selectors may determine a standard of fitness needed to be met by that player. If the player is unable to meet that standard the Selection Committee in consultation with the State Team Coach may select a replacement.

7.3.2 The State Team Captain will select a replacement player (the selected reserve if possible and available) for the Victorian Team on tour after consultation with any member of the Selection Committee or Committee of Management member that may be present or contactable.

8.2.1 Principles of Selection providing that the counselling process has been followed or,

8.3 An appeal by a player against non-selection or removal from the State Team must be made to the VCA Appeal Panel.

8.4 Any appeal must accord with the following procedure:

8.4.1 The appellant must give written notice of their appeal to the VCA Secretary within 48 hours of the announcement of the decision against which the appeal is being made.

8.4.2 Within 5 working days of submitting their written notice of appeal the appellant must submit to the VCA Secretary the grounds for that appeal in writing and accompanied by a deposit of \$200 payable to the Victorian Croquet Association.

8.5 The VCA Appeal Panel will comprise the following persons appointed by the VCA Committee of Management, selected from a group of six appointed by Council annually at its June meeting:

8.5.1 Three persons, of whom at least one has an understanding of the selection policy.

8.5.2 No person is eligible to be appointed to the panel if that person is a member of the VCA Council or a VCA Selection Committee or by reason of their relationship with the appellant or any member of the Council or Selection Committee that may be seen as rendering that person as other than impartial in the consideration of the appeal.

8.6 The Chairperson of the Panel will convene a meeting within seven (7) days of the submission of the grounds of appeal. The hearing may occur in such manner as the

Chairperson decides, including telephone, video conferencing, e-mail or other such format as agreed by the Panel.

- 8.7 Prior to the hearing the VCA Secretary will provide to the Panel a copy of the Selection Committee's reasons for non-selection of the appellant, which must include all reasons for non-selection (Para 3.12 refers).
- 8.8 The Panel may dismiss or uphold the appeal and advise the VCA Secretary of its decision in writing (or by email) within 24 hours of the decision being reached. If, as a result of the appeal, there are no remaining reasons for non-selection of the player, the Selection Committee must reverse the non-selection and make adjustments to the selected players to include the successful appellant. Any such reasons for non-selection must have been given in writing to the player before the appeal was lodged (refer 8.7 above).
- 8.9 The Panel is not bound by the rules of evidence but will observe the principles of procedural fairness and Natural justice. The Panel may obtain information from any player likely to be disadvantaged by its decision.
- 8.10 No party to the appeal will be legally represented except where the Panel believes that involvement of lawyers is warranted in the case of complex legal issues. However, the legal representatives of the appellant or of the Selection Committee may make written submissions to the Panel.
- 8.11 The Panel will give its decision as soon as practicable after the hearing and will provide the appellant, the Chairman of the Selection Committee and the VCA Secretary with a statement of the reasons for its decision.
- 8.12 Failure to observe the above time limits will render any appeal a nullity, provided that a player may apply to the Appeal Panel for an extension of time in which to commence the appeal. Any extension of time to commence the appeal will only be granted in extenuating circumstances outside the control of the player concerned.
- 8.13 The findings of the VCA Appeal Panel are final.
- 8.14 VCA will refund all of the deposit referred to in 8.4.2 above where an appeal is upheld.
