GENERAL CONDITIONS OF PLAY

Cairnlea 2018

1. All events will be played under the Laws of Association Croquet, sixth edition, amended 2008, adopted by Croquet Australia and Australian Tournament Regulations as amended on 30 March 2010, and including the Refereeing Regulations adopted on 15 Feb 2011.
2. All competitors who have not already provided an address, telephone number or email address at which messages can reach them during the events should provide this information to the Tournament Manager during registration.
3. Tournament Headquarters is the Victorian Croquet Centre. Hard copies of the Program will be available from there at Registration.
4. Courts will be available for practice at VCC from 2–5pm on Friday 16 November at the discretion of the Tournament Manager. Courts may be available for practice up to 7.50am each day and after the completion of play for the day (at the discretion of the Tournament Manager).
5. Hoops will be set during block play as near as possible to 3+21/32" (to allow for inaccuracies in gauges, balls, hoops and setting techniques, a tolerance of +0 to -1/32" is allowed). Hoops will be set during the knockout stages to largest ball on court plus a clearance of 1/32".
6. Players are requested to assist in setting the hoops at the start of the day if necessary.
7. Any player is entitled to have equipment checked at any time and Law 53(b)(3) applies in this event. Any hoop out of specification will then be reset. Players should not adjust or hammer hoops themselves.
8. Dawson International balls will be used.
9. Courts will be allocated by the Manager and games will be double banked as required.
10. A 5 minute warm up period will be permitted before a player's first game of the day, when hoops may only be run in a controlled fashion
11. Matches shall commence at **8.00 am** sharp unless otherwise indicated. Players are requested to be at their designated court before the scheduled starting time.
12. Players may be allowed a break of up to 10 minutes between matches and a lunch break of up to 30 minutes. No break is allowed between games of multiple game matches. The Tournament Manager will ensure games go on expeditiously to enable completion of the scheduled program.
13. Players must ask the Venue Manager if they wish to leave the venue for any reason.
14. Players will wear foot wear which will not mark the court and provides adequate protection for themselves both on and off the court; and neat, clean attire which the Tournament Manager judges will not cause significant offence to others. A player in unsuitable clothing or foot wear will be given the opportunity to dress appropriately or will not be permitted to participate in the event
15. The Tournament Manager decides whether play in any match should continue if the weather is deteriorating.
16. Lights may be used at the Tournament/Venue Manager's discretion if required to achieve the schedule.
17. Referees will be Supervising Referees (trial for 12 months).
18. The Tournament Manager in consultation with the Board of Croquet Australia may make any alterations to the program, draw and other arrangements as are necessary in order to complete the tournament in the time available.
19. Special damage may be repaired in accordance with Law 34(c).
20. Players' attention is drawn to Law 49 regarding Expedition in Play.
21. Players' and spectators' attention is drawn to ACA Regulation 25, and Clause 65A of the ACA handbook re Conduct of Spectators.

22. The Australian Handicapping System is in use for this Tournament. Players must ensure that they have their handicap cards with them and present them to the Tournament Handicapper before the Open Singles. Handicap changes will be effective after any game in which players pass a trigger point (in accordance with the updated Handicapping Regulations published on the ACA Website on 14 February 2010).
23. An appeals committee comprising the Tournament Manager, the appropriate Tournament Referee and a member of the ACA Board (or nominated representative) shall determine any matters that are in dispute during the course of the tournament.
24. The draws were conducted by the ACA Tournament Committee, in conjunction with the ACA Events and AC Selection Committees, using the ACA Seeding and Draw procedures.
25. Should an overseas player win an event, any perpetual trophy shall remain in Australia in the custody of the ACA Administrative Officer. Winners of trophies are responsible for arranging the engraving of trophies at the ACA's expense, but must obtain a quote and obtain approval from the ACA Administrative Officer prior to having a trophy engraved.

Doubles Championship

1. The event will start playing a Modified Block rather than a round robin. Block matches are single 26 point games, with a time limit of 2½ hours. At the conclusion of 5 rounds (4 on Sat and 1 on Sun morning) the top 8 pairs proceed to a Bo3 knockout XYZW.
2. All knockout matches are best of three with cumulative time limits of 3, 2½ and 2 hours. All games are subject to Regulation 16.
3. The quarter-finals will be played Sunday afternoon 18 November. Players will be re-seeded for the knockout phase based on final placing in the initial block.
4. The semi-finals and the Final will be on Monday 19 November.
5. The other pairs may proceed to the Doubles Plate/Consolation event. This event will be played in a format that gives the maximum possible number of games to each pair, comprising blocks or Swiss format depending on the number of entries, at the Tournament Manager's discretion.

Australian Open AC Singles Championships 2018

1. The event will start with a qualification event rather than a round robin. The format of the qualification is a Burrige Swiss, as used in the British Open for several years - once a player has achieved a set number of wins or losses they either qualify or can no longer qualify and therefore do not play in the Swiss any further.
2. Due to the way a pure Swiss format works, there is a certain amount of unfairness in that players who win continually get stronger opponents, and a player with an early loss will generally play weaker opponents. To increase fairness, we have followed the approach taken by the Croquet Association in the British Open, and have pre-drawn the first few rounds (we have chosen four). It has been done in such a way that all the players get a mix of opponents whose world ranking grades average out as close as we can get to the average of the whole tournament.
3. The Swiss (single game matches) will commence on Tuesday 20 Nov and conclude on Thursday 22 Nov. All games have a time limit of 2½ hours. The plan is to play 10 rounds, with 5 wins qualifying (and 6 losses going out), but bad weather may require the manager to modify this.
4. 16 players will qualify for the XYZW knockout. If in a given round a 17th player has won 5 games, there will be no further rounds of the Swiss conducted. Some players that won their 5th game in this final round will play off to decide which of them will qualify to be one of the 16 players in the knockout.
5. Players who fail to qualify for the knockout may go into the Plate.
6. Players who qualify go into the knockout on Friday 23 November. Those qualifying will be reseeded based on world ranking. A standard random draw will be done.
7. The knockout stage will be first round (Bo3) then quarter-finals (Bo3) matches with cumulative time limits of 3, 2½ & 2 hours. The semi-finals and final will be Bo5 (time permitting) with cumulative time limits of 3, 3, 2½, 2 & 1 ½ hours. All games are subject to Regulation 16.
8. Players exiting the knockout may join the YZW events. These will be knockout or block depending on the number that qualify for the X. There will be a play off for 3rd & 4th.
9. There will also be an Egyptian event available (Swiss format, but not pre-drawn) for all players regardless of whether they qualify or not. This will be running alongside the other events from day 2 onwards and players can play in it when they have free time between games/matches in the other events. All players are encouraged to play in this event so that those who want extra games can get them.

Singles Plate Event

10. Players who do not proceed to the X knockout, or who entered the Plate direct, are eligible to play in the Plate event, which will start on Day 4 (Friday 23 Nov). The event will be played in a format that gives the maximum possible number of games to each competitor, probably in large block(s) (but may be a Swiss format depending on the number of entries). Plate block placings (if held) will be determined using Regulation 20(1)(5). The Plate may move to a knockout phase (semi-finals and final) at the Tournament Manager's discretion.
11. Plate initial matches will be single games with a time limit of 2½ hours.
12. Plate finals (if held) will be Bo3 (cumulative time limits of 3, 2½ & 2 hours). All games are subject to Regulation 16.
