Club in Profile

M and P will be profiling clubs over the next couple of months that will write to us and share how they went about increasing membership at their club. Thank you to the Kew Croquet club for their contribution last month.

VCA Calendar 2024-2025 – EOJ

No calendar this year! We will be taking advance orders for next year and also looking for photos to feature. SO:

Contact us if your club has a high resolution photograph you'd like to see included.

Let us know if your club would like to put their name down for copies (probably \$12 each, minimum order 5).

We are hoping to finalise photos by the end of 2023 so we can publicise the calendar well in advance of publication in July 2024.

New Infrastructure

After 30 years of waiting Macedon Ranges Croquet club finally has a new toilet block which is now connected to Sewerage.

Advantage Rules

Has your club tried Advantage rules? Have you made sense of the rules? Drop us a line and tell us about your thoughts on this concept.
