Croquet Australia new net membership incentive well spent at Wodonga

Here are five of the ten Wodonga Croquet Club recent members who each received a winter jacket as a result of the Australian Croquet Association's Incentive Program.

As we do each year, we participated in the Wodonga Council's Senior Celebration which is advertised widely and held in October. Our club offered several sessions of free Come and Try events. This resulted in an increased number of club members and some warm winter uniforms. Ruth -Media Officer Wodonga Croquet Club Inc.
