A new fresh updated trifold brochure is coming soon

Club in Profile

M and P will be profiling clubs in the next couple of months that have written to us and shared how they went about increasing membership at their club.

Kew Croquet Club is our first feature. Page 2

New Poster Feedback

From the Secretary Dimboola Croquet club "Thank you for the template, I took it to our meeting and all were impressed and we will have 3 on display around our town." Thank you too for the feedback Kerry

VCA Calendar 2024-2025 – EOI

No calendar this year! We will be taking advance orders for next year and also looking for photos to feature. SO:

Contact us if your club has a high resolution photograph you'd like to see included.

Let us know if your club would like to put their name down for copies (probably \$12 each, minimum order 5).

We are hoping to finalise photos by the end of 2023 so we can publicise the calendar well in advance of publication on 1 July 2024.

Ask Any Questions is now live

A page to ask and answer questions about croquet matters.

Members are invited to send questions for the State Coordinators and other members to discuss. Write to

to marketing@croquetvic.asn.au with your questions and answers, and we will follow up.
