Description of Background / Experience:

I have a Bachelor of Business (major IT, minor Accounting & Bus. Law, completed 1981) and a Diploma of Education (The University of Melbourne, completed 2003, Dean's Honours List) with Teaching Methods – Accounting, IT, Business.

My first career was in IT, initially with computer hardware manufacturers and then with software and management consultancies specialising in methods for building high quality software and trusted systems.

My second career was in education, initially as a teacher and later as a school business manager. I retired in December 2015.

Interest and/or Involvement in the Sport:

Croquet has been my main sporting interest since 2014.

I enjoy playing Golf Croquet at the Brunswick and Essendon clubs in Melbourne. Being a member of both clubs provides an opportunity to participate in a variety of activities on different days and evenings.

I particularly enjoy playing in the Victorian Country tournaments with their strong competition and great hospitality.

I served as VCA Treasurer from 21 October 2014 until 16 June 2017.

I currently serve as the Secretary of the GC Shield competition (pennant) for Metropolitan Melbourne. I was initially elected to this position in December 2016 following Dot Dickson's retirement.

I currently serve as the Deputy Tournament Manager for the Dot Dickson Challenge Day, which takes place twice per year at Cairnlea, with 96 players.
